NOTICE TO THE COMMISSIONER OF CONSERVATION AND OTHERS:

Re: Fredericksburg Lime, Reservoir C
Converse Field
Sabine Parish, Louisiana

Notice is hereby given that **SAMSON CONTOUR ENERGY E&P, LLC** plans to apply to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters:

1. To establish rules and regulations and to create four (4) drilling and production units for the exploration for and production of oil and gas from the Fredericksburg Lime, Reservoir C, in the Converse Field, Sabine Parish, Louisiana, said proposed units designated FRED RC SUA through FRED RC SUD, all as shown on the plat attached hereto and made a part hereof.
2. To unitize all separately owned tracts, mineral leases and other property interests within the proposed units with each tract sharing in unit production on a surface acreage basis of participation.
3. To provide that the penetration point and terminus of any lateral of future horizontal wells drilled to the Fredericksburg Lime, Reservoir C, in Converse Field, should be located no closer than 100 feet to north/south unit lines and no closer than 330 feet to east/west unit lines, with no well spacing limitations between wells other than that accomplished by application of the aforesated provisions.
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
5. To consider such others matters as may be pertinent.

The Fredericksburg Lime, Reservoir C, in the Converse Field, is hereby defined as being the stratigraphic equivalent of that oil and gas bearing interval encountered between the depths of 3,057 feet and 3,202 feet (electrical log measurements) in Texas T Oil Co. (formerly 2-B

June 30, 2011

Gregory, Jr.) – Edwards No. 1 (formerly Edwards Estate No. 5) Well, located in Section 29, Township 9 North, Range 13 West, Sabine Parish, Louisiana.

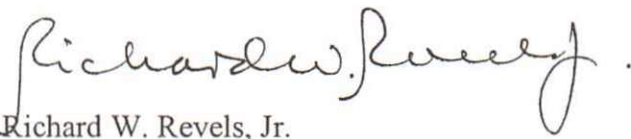

Any pertinent data, including well logs, not available at the Office of Conservation, may be obtained **AT THE COST OF THE REQUESTING PARTY** from Joe B. Adams, 21010 Vermont St., Livingston, LA 70754, Telephone Number (225) 686-2355.

A conference to discuss the proposed application and any opposition thereto is hereby tentatively scheduled for 10:30 A.M. on Friday, July 22, 2011, at the offices of Liskow & Lewis, 822 Harding Street, Lafayette, Louisiana 70503. It should be noted that this conference **WILL NOT BE HELD** unless a specific request to confer is made to the writer (either by telephone or in writing) by an Interested Owner or Represented Party receiving a copy of this notice within ten (10) calendar days after the date hereof. Note that if the conference is timely requested and the requesting party wishes for the conference to be moved to a locale nearer the area being unitized, the applicant will attempt to accommodate that request. In the event this conference is requested, all parties receiving a copy of this notice will be notified in writing of the time and place of said conference.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this pre-application notice is being mailed. Pursuant to the Revised Rules of Procedure, the list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Shreveport District of the Office of Conservation; however, the list of parties will be furnished to any party requesting copies. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Very truly yours,

LISKOW & LEWIS
