Dear Sir:

Petrohawk Operating Company hereby makes application pursuant to the revised rules of procedure for a public hearing to consider evidence relating to the following matters pertaining to the Haynesville Zone, Reservoir B, in the Caspiana Field, Bossier and Caddo Parishes, Louisiana:

1. To authorize Petrohawk Operating Company to drill, designate and utilize five (5) alternate unit wells for HA RB SUP generally at the locations and in the manner shown on the plat attached hereto and made a part hereof;
2. To establish that the proposed alternate unit wells are necessary to efficiently and economically drain portions of the Haynesville Zone, Reservoir B, underlying HA RB SUP;

4. To provide that with respect to any horizontal lateral drilled to the Haynesville Zone, Reservoir B, in or to serve HA RB SUP where the horizontal portion of the well is cased and cemented back above the top of the Haynesville Zone, Reservoir B, the distance to any unit boundary or offset well will be calculated based on the distance to the nearest perforation in the well, and not based on the penetration point or terminus; and
5. To consider and cover such other matters as the Commissioner of Conservation may deem appropriate and necessary under the circumstances.
